

Alien force

muziek: Harmen Nuesink; tekst: Jan Bosch & Frans de Meijer (©1986)

couplet I

At the edge of darkness,
in the end of night,
waiting for a token,
for the one to arise,...

refrein

Alien force!
Enslaving our kind!
Worship the Lord and trust him blind!
Alien force!
Supernatural power!
Growing stronger by the hour!
[4 x herhalen]

couplet II

In the early morning,
you can feel the thrill.
At the coming dawning,
is the time to kill.
Now you see the forces,
ruling you and me.
Setting out their courses,
for all eternity,...

brug

Bow for your subjugator,
you shall be his slave.
Watch the foolish traitors,
digging their own graves.
Stand up! And be counted!
It's your judgement day.
Rise up for the new God,
(the) Alien force you must obey,...

couplet III

In the early morning,
you can feel the thrill.
At the coming dawning,
is the time to kill.
Now you see the forces,
ruling you and me.
Setting out their courses,
for all eternity,...
