
Divine revenge

muziek: Harmen Nuesink; tekst: Frans de Meijer (©1987)

prelude I

The earth was a new born planet,
and the Elder were the wise.
People were devoted to the Gods,
who ruled children, men and wives.

prelude II

But crime and warfare put an end,
to the love and peace on earth.
Mankind made their own decisions,
and decided to kill the world.

prelude III

The Gods were angry 'bout the trait,
and they planned a great revenge.
Retaliation was their answer,
to the human race's offence.

couplet I

I'm Terrania, God of Earth.
When the earthquakes start,
you will pay for spitting dirt,
it will tear the soil apart.
You'll fall into ravines,
that's my revenge for your crimes.

refrein

Divine revenge, it's entering your soul.
Divine revenge, it's taking it's toll.

couplet II

I'm Aquarius, God of Sea.
For your goddamned deceit,
a bloody great tidal wave,
will wipe out your towns.
Every peace of water will,
hunt your cursed body down.

couplet III

I'm Atmosphaera, God of Sky.
When the tornado starts,
you will hear the wind cry, (it)
tears the earth apart.
You'll be absorbed and flung down.
Vengeance is my crown.

refrein

Divine revenge, it's entering your soul.
Divine revenge, it's taking it's toll.

couplet IV

I'm Lucifer, God of Flames.
A great destructive fire,
will burn you, it's my game,
it's what I admire.
You'll turn back into the ashes,
end of screaming lashes.

brug

So on the seventh of July,
the sun was turning black.
The human race was going to die,
no one will turn back.
The great massacre took us all,
innocent or not.
The vengeance knew no mercy,
so divine revenge could start.

couplet V

Terranaia, Aquarius.
They now say: God damned!
In a shock and in a flush, (the)
world came at his end.
Don't betray and never cheat,
their vengeance is complete.

refrein

Divine revenge, it's entering your soul.
Divine revenge, it's taking it's toll.

couplet VI

Atmosphaera, Lucifer.
They blew, they burned and killed.
No one could escape from them,
their vengeance was fulfilled.
No one could escape from them,
their vengeance was fulfilled.
